CYCLOCROSS????

Think of a party in the park and a bike race broke out!

For those that are riding, 80% of the course will be rideable, with the rest consisting of natural obstacles like creeks and fallen trees combined with man-made barriers like flights of stairs and low fences.

Mud, don't forget the mud! Riding through a section of mud is not something to be frowned upon, in fact it's a crowd favorite. This is Cyclocross.

This is the Specialized Cross Melburn Series.

WHERE?

- **Round 1** - Lysterfield Park Pump Track,
Horswood Road, Lysterfield. Victoria.
Less than 45mins drive from the CBD.

WHEN?

- **Round 1** will be on July 31st.
